The Audit Committee will review these processes, procedures and guidelines as and when needs arise to ensure all RRPT will be carried out on normal commercial terms which are not prejudicial to the interests of shareholders and on terms not more favourable to the related party than those generally available to the public and are not to the detriment of the minority shareholders of RSB.

4. EFFECTS OF THE PROPOSED SHAREHOLDER MANDATE

The Proposed Shareholder Mandate will not have any effect on the Net Assets per share, earnings per share, gearing of the Group, and share capital and substantial shareholders' shareholdings of RSB.

5. RATIONALE AND BENEFIT OF THE PROPOSED SHAREHOLDER MANDATE

The RRPT entered and to be entered into by RSB and the Group are all in the ordinary course of business. They are recurring transactions of a revenue or trading nature which are likely to occur with some degree of frequency and arise at any time and from time to time. These transactions may be constrained by the time-sensitive nature and confidentiality of such transactions, and it may be impractical to seek shareholders' approval on a case by case basis before entering into such RRPT described herein to allow the Group to enter into such recurrent transactions made on an arm's length basis and on normal commercial terms not prejudicial to the interest of the shareholders and not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority shareholders.

RSB and the Group enter into RRPT to take advantage of efficiencies in business dealings, in particular competitive prices, shorter delivery time and reliability in source of materials, goods and services. These Related Parties have long-standing business relationships with RSB Group and the quality of the products have proven to meet the stringent requirements imposed by the Group.

By obtaining the Shareholder Mandate, and the renewal of the same on an annual basis, the need to convene separate general meetings from time to time to seek shareholders' approval for the entry by the Group into such RRPT will be eliminated. This will substantially reduce administrative time, inconvenience and expenses associated with the convening of such general meetings without compromising the corporate objectives of the Group or adversely affecting the business opportunities available to the Group.

The RRPT are intended to meet the business needs of RSB Group at the best possible terms. By transacting with the Related Parties, RSB Group would have an advantage of familiarity with the background, financial well-being and management of the Related Parties, thus enabling more informed commercial decisions to be made. In most dealings with the Related Parties, RSB Group and the Related Parties have a good understanding of each other's business needs thus providing a platform where all parties can benefit from conducting the RRPT.

The benefit derived from RRPT pertaining to rental of premises would be the attractive location and reasonable rates of rental charged by the Related Parties, which are not more unfavourable than the market rates.

These would ultimately benefit the Group and the shareholders by enhancing profitability and returns on shareholders' funds.

6. CONDITIONS OF THE PROPOSED SHAREHOLDER MANDATE

The Proposed Shareholder Mandate is conditional upon approval being obtained from the shareholders of the Company at the forthcoming AGM. The Proposed Shareholder Mandate is subject to annual renewal and will continue to be in force until:

- (i) the conclusion of the next AGM of RSB at which the Proposed Shareholder Mandate was passed, at which time it will lapse, unless by a resolution passed at the meeting, the authority is renewed;
- (ii) the expiration of the period within which the next AGM after that date is required to be held pursuant to Section 143(1) of the Companies Act [but must not extend to such extension as may be allowed pursuant to Section 143(2) of Companies Act]; or
- (iii) revoked or varied by resolution passed by the shareholders in general meeting,

whichever is the earlier.

A disclosure of a breakdown of the aggregate value of the RRPT conducted pursuant to the Proposed Shareholder Mandate during the financial year shall be made in the annual report where the aggregate value is equal to or more than the threshold prescribed under Paragraph 10.09(1)(a) of the Listing Requirements, amongst others, based on the following information:

- the type of the RRPT made; and
- the names of the related parties involved in each type of the RRPT made and their relationship with RSB.

In addition, RSB is required to immediately announce to Bursa Securities when the actual value of a RRPT entered into by the Group exceeds the estimated value of the RRPT as outlined on pages 4 to 22 of this circular by ten percent (10%) or more.

1. INTRODUCTION

At the Annual General Meeting ("AGM") of Rimbunan Sawit Berhad ("RSB" or "the Company") held on 8 June 2012, the Board of Directors ("Board") obtained the shareholders' approval for the Company to purchase and/or hold its own shares of an amount not exceeding ten per cent (10%) of the total issued and paid-up ordinary share capital of RSB through Bursa Securities. In accordance with the Main Market Listing Requirements of Bursa Securities, this authority will expire at the conclusion of the forthcoming AGM of the Company, which has been scheduled to be held on Tuesday, 18 June 2013 ("forthcoming AGM").

On 26 April 2013, the Company announced its intention to seek shareholders' approval to renew the authority for purchase of own shares by the Company ("Proposed Share Buy-Back") at the forthcoming AGM.

The purpose of this statement is to provide you with the details of the Proposed Share Buy-Back and to seek your approval for a renewal of the authority to undertake the Proposed Share Buy-Back at the forthcoming AGM.

Shareholders of RSB are advised to read and consider carefully the contents of this statement before voting on the resolution pertaining to this proposal at the forthcoming AGM.

2. PROPOSED SHARE BUY-BACK

The Board now proposes to seek shareholders' approval on the renewal of the authority to undertake the Proposed Share Buy-Back at the forthcoming AGM, to the date of the next AGM.

As at 30 April 2013, the total issued and paid-up ordinary share capital of the Company is RM654,252,472 comprising 1,308,504,944 ordinary shares of RM0.50 each ("RSB Shares"). Hence, the maximum number of RSB Shares which may be purchased by the Company will be ten percent (10%) of the issued and paid-up ordinary share capital of the Company or 130,850,494 RSB Shares based on the position as at 30 April 2013.

The authority for the Proposed Share Buy-Back will be effective immediately upon passing of the ordinary resolution at the forthcoming AGM and will continue to be in force until:

- (a) the conclusion of the next AGM of the Company unless by ordinary resolution passed at the next AGM, the authority is renewed, either unconditionally or subject to conditions;
- (b) the expiration of the period within which the next AGM after that date is required by law to be held;
or
- (c) revoked or varied by ordinary resolution passed by the shareholders in general meeting,

whichever occurs first, in accordance with the provisions of the guidelines issued by Bursa Securities or any other relevant authorities.

The Directors may retain the RSB Shares so purchased as treasury shares and distribute as dividends and/or resell the RSB Shares so purchased on the market of Bursa Securities and/or cancel them. An appropriate announcement will be made to Bursa Securities in respect of the intention of the Directors together with the rationale, whether to retain the RSB Shares so purchased as treasury shares and/or resell the RSB Shares so purchased on the market of Bursa Securities and/or cancel them, if the Proposed Share Buy-Back is executed. An immediate announcement will be made upon each purchase or resale or cancellation of the RSB Shares.

3. REASON AND RATIONALE FOR THE PROPOSED SHARE BUY-BACK

The Proposed Share Buy-Back has the potential of benefiting RSB and its shareholders in the following manner:

- (a) RSB will have the avenue of stabilising the supply and demand of its shares in the open market and thereby supporting the fundamental values of RSB Shares, in particular to ensure, where possible, that the market share price is fair reflection of the value of the Company;
- (b) RSB may also utilise the treasury shares as future dividend payout to the Company's shareholders and/or resell the RSB Shares in the open market to profit from future price appreciation of RSB Shares; and
- (c) The Proposed Share Buy-Back is expected to enhance the value for shareholders from the resultant reduction in the number of RSB Shares in the open market, all things remaining equal. The Proposed Share Buy-Back also signals the focus of the Board and management of RSB on returns to shareholders.

4. RETAINED PROFITS AND SHARE PREMIUM

A fund not exceeding the Company's retained profits and share premium reserves at the time of purchase will be allocated for the Proposed Share Buy-Back. The audited retained profits and share premium reserves of the Company as at 31 December 2012 amounted to RM117,089,070.

5. SOURCE OF FUNDS

The purchase of these RSB Shares will be sourced wholly from internally generated funds of the Company and will reduce the working capital of the RSB Group.

The Proposed Share Buy-Back is not expected to have an adverse effect on the cash flow position of the Company. However, the effect on the cash flow of the Company would depend on, inter-alia, the purchase price and quantum of RSB Shares purchased at any point of time during the period of the share buy-back.

6. DIRECTORS' AND SUBSTANTIAL SHAREHOLDERS' INTERESTS

Save for the inadvertent increase in the percentage shareholding and/or voting rights of the shareholders as a consequence of the Proposed Share Buy-Back, none of the Directors and substantial shareholders of the Company or persons connected with them has any interest, direct or indirect, in the Proposed Share Buy Back or resale or cancellation of treasury shares.

7. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED SHARE BUYBACK

The Proposed Share Buy-Back, if implemented, may enable the Company to stabilise the supply and demand of the Company's shares on the market of Bursa Securities, thereby potentially supporting the Company's fundamental value. Any cancellation of RSB Shares so purchased will increase the earnings per share of the RSB Group if the income foregone on the RSB Shares purchased is less than the earnings per share before the share buy-back. Additionally, shareholders may receive treasury shares as share dividends if the Board recommends a distribution of the said shares.

The Board would have the opportunity to utilise its financial resources not immediately required for other uses to purchase the Company's shares.

The Proposed Share Buy-Back, if implemented would, however, reduce the financial resources of the RSB Group. This may result in the RSB Group having to forego any investment opportunities that may emerge, and/or any income that may be derived from alternative uses of such funds. The Proposed Share Buy-Back may also reduce the amount of resources available for cash dividends to the shareholders of the Company.

On the other hand, the financial resources of the RSB Group may increase if the RSB Shares so purchased and held as treasury shares are resold at price(s) higher than the purchase price(s). In this regard, the share buy-back will be pursued after due consideration has been given to the potential impact on the RSB Group's earnings and financial position and the Board will be mindful of the interest of the Company, the RSB Group and the shareholders in implementing the Proposed Share Buy-Back.

8. EFFECTS OF THE PROPOSED SHARE BUY-BACK

On the assumption that the Proposed Share Buy-Back is carried out in full at any time during the proposed authorised period, the effects of the Proposed Share Buy-Back on the share capital, earnings, net assets, working capital and cash flow, and the dividend payments of RSB as compared with the financial position disclosed in the most recent published audited financial statements as at 31 December 2012, are as set out below:

(a) Share Capital

The Proposed Share Buy-Back will have no effect on the issued and paid-up share capital of RSB if all of the RSB Shares purchased are held as treasury shares. The Proposed Share Buy-Back will reduce the issued and paid-up share capital of the Company to RM588,827,225 as follows if all of the RSB Shares purchased are subsequently cancelled:

Number of issued and paid-up ordinary shares of RM0.50 each	
Existing issued and paid-up ordinary share capital as at 30 April 2013	Upon completion of the Proposed Share Buy-Back
RM654,252,472	RM588,827,225

(b) Earnings

Depending on the timing, actual purchase and purchase price to be paid for the RSB Shares to be bought back, the Proposed Share Buy-Back is not expected to have any immediate material effect on the consolidated earnings of the RSB Group for the financial year ending 31 December 2013.

(c) Net Assets

The net assets per share of the RSB Group may be increased or decreased, depending on the purchase prices of the RSB Shares to be bought back by the Company. Should the purchase prices exceed the existing net assets per share, the net assets of the remaining shares should decrease accordingly. And conversely, should the purchase price be lower than the existing net assets per share unit, the resultant net assets per share should increase accordingly.

(d) Working Capital and Cash Flow

Although the Proposed Share Buy-Back will reduce the working capital of the RSB Group to the extent of the amount of funds utilised for the purchase of the Company's shares, it is not expected to have a material effect on the working capital of the RSB Group.

The cash flow of the Company and of the RSB Group will be reduced and the extent of the cash flow reduction will depend on the number of the RSB Shares purchased and the purchase prices of the RSB Shares.

(e) Dividend Payments

Assuming the Proposed Share Buy-Back is implemented in full, it may reduce the amount of distributable reserves available for payment of dividend as the funds to be allocated for the purchase of the RSB Shares are utilised from the Company's reserves account. The Board has recommended a first and final single tier dividend of 1.0 sen per ordinary share and 1.0 sen per irredeemable convertible preference shares, in respect of the financial year ended 31 December 2012. These proposed dividends are subject to shareholders' approval at the forthcoming AGM.

9. IMPLICATIONS OF THE MALAYSIAN CODE ON TAKE-OVERS AND MERGERS, 2010 ("CODE")

Based on the Company's issued and paid-up share capital of RM654,254,472 divided into 1,308,504,944 RSB Shares and the equity interests of the Directors and substantial shareholders as at 30 April 2013, should the Company buy back the maximum number of shares of up to 130,850,494 on the assumption that its issued and paid-up share capital remain unchanged, the Proposed Share Buy-Back will not trigger any obligation by any of the Director, substantial shareholder and any person acting in concert with them to undertake a mandatory general offer under the Code as a result of the Proposed Share Buy-Back.

However, an exemption from a mandatory offer obligation may be granted by the Securities Commission ("SC") under Paragraph 24.1 of Practice Note 9 of the Code, subject to the Directors, substantial shareholders and the persons acting in concert with them complying with the conditions as stipulated in the said practice note, if the obligation is triggered as a result of the Proposed Share Buy-Back that is outside their direct participation.

Should such circumstances arise and if required, the Directors, substantial shareholders and the persons acting in concert with them are expected to make an application to the SC for a waiver from implementing a mandatory general offer under the Code, before implementing the Proposed Share Buy-Back.

In the event the proposed waiver is not granted by SC, the Company will only proceed with the Proposed Share Buy-Back to the extent that it will not contravene the limit as provided under the Code.

10. PURCHASES, RESALE OF SHARES AND CANCELLATION OF SHARES IN THE PREVIOUS TWELVE (12) MONTHS

RSB has not purchased or resold any of its own Shares and no Shares were cancelled in the previous twelve (12) months and no RSB Shares are held as treasury shares.

11. PUBLIC SHAREHOLDING SPREAD

Based on the Record of Depositors as at 2 May 2013, the public shareholding spread of the Company was 38.31%.

The Directors will ensure that the Company complies with the public shareholding spread requirement and will not buy back shares if the purchase would result in the public shareholding spread requirement not being met.

12. DIRECTORS' STATEMENT AND RECOMMENDATION

Having considered all aspects of the Proposed Share Buy-Back, the Board wishes to advise that the Proposed Share Buy-Back is in the best interests of the Company and accordingly recommends that you vote in favour of the ordinary resolution for the Proposed Share Buy-Back to be tabled at the forthcoming AGM.

13. DIRECTORS' RESPONSIBILITY STATEMENT

This statement has been seen and approved by the Directors, who collectively and individually accept full responsibility for the accuracy of the information given and confirm that after having made all reasonable enquiries and to the best of their knowledge and belief, there are no other facts, the omission of which would make any information, data or statement herein misleading.

14. ACTION TO BE TAKEN BY SHAREHOLDERS

If a shareholder is unable to attend the forthcoming AGM and wishes to appoint a proxy to attend and vote on his behalf, he should complete, sign and return the form of proxy in accordance with the instructions printed thereon as soon as possible and, in any event, so as to reach the Company's registered office at No. 85 & 86, Pusat Suria Permata, Jalan Upper Lanang 12A, 96000 Sibu, Sarawak not later than 11.30 a.m. on Sunday, 16 June 2013. The completion and return of the form of proxy by a shareholder will not prevent him from attending and voting at the forthcoming AGM in person, if he so wishes.

Yours faithfully

FOR AND ON BEHALF OF THE BOARD OF DIRECTORS
