- the type of the RRPT made; and
- the names of the related parties involved in each type of the RRPT made and their relationship with RSB.

(e) Procedures and guidelines for determination of prices for RRPT

The Board has in place an internal control system, which includes review procedures and guidelines to ensure that transactions with Mandated Related Parties are made on normal commercial terms and are not prejudicial to the interests of the minority shareholders. These procedures are in place to ensure that each major Mandated Related Party transactions is approved and reviewed by the Directors or authorized personnel, based on terms not more favourable to the Mandated Related Parties than those generally available to the public, on arms length basis and are not to the detriment of the minority shareholders, giving due consideration to all circumstances of each transaction.

These procedures include the following :-

- (i) surveys will be undertaken to gather information to compare the prices, fees or charges quoted by third parties and Mandated Related Parties for the purpose of determining the competitive market price, fee or charges of materials, goods and services. It is a policy of RSB to purchase materials, goods or services from related parties when the prices, fees or charges are competitive with prices, fees or charges obtained from third parties. Other factors such as availability of raw material or resources, reliability of supply, delivery, services and quality of material or goods will also be taken into consideration for evaluation purposes.
- (ii) market prices will be used to determine the transaction price for sales to Mandated Related Parties.
- (iii) market value will be used to determine the rental sum in respect of renting of premises.
- (iv) on a periodic basis, the procedures and guidelines pertaining to Mandated Related Party transactions will be reviewed by senior management of RSB and the Audit Committee to ensure that the terms of the transactions are not more favourable to the Mandated Related Parties than those generally available to the public, and are not to the detriment of the minority shareholders.
- (v) the annual internal audit plan shall incorporate a review of all related party transactions to ensure that the relevant approvals have been obtained and the review procedures in respect of such transactions are adhered to. Should any discrepancies arise relating to the procedures and guidelines, proper steps would be taken to rectify them accordingly.
- (vi) the Audit Committee shall, amongst others, review these internal audit plan and reports on RRPT and any conflict of interest situation that may arise within RSB and the Group, including any transaction, procedure or course of conduct that raises questions of management integrity.

(f) Statement by Audit Committee

The Audit Committee comprises the following Directors :-

	Name of Members	Designation
1.	Bong Wei Leong	Chairman
2.	Tiong Chiong Ong	Member
3.	Tiong Ing Ming	Member

The Audit Committee of RSB has seen and reviewed the procedures stated in point 3(e) above and is of the view that the existing procedures and guidelines are sufficient to ensure that such RRPT will be carried out on normal commercial terms which are not prejudicial to the interests of shareholders and on terms not more favourable to the related party than those generally available to the public and are not to the detriment of the minority shareholders.

4. EFFECTS OF THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate will not have any effect on the net assets per share, earnings per share, gearing of the Group, and share capital and substantial shareholders' shareholdings of RSB.

5. RATIONALE AND BENEFIT OF THE PROPOSED SHAREHOLDERS' MANDATE

The RRPT entered and to be entered into by RSB and the Group are all in the ordinary course of business. They are recurring transactions of a revenue or trading nature which are likely to occur with some degree of frequency and arise at any time and from time to time. These transactions may be constrained by the time-sensitive nature and confidentiality of such transactions, and it may be impractical to seek shareholders' approval on a case by case basis before entering into such RRPT described herein to allow the Group to enter into such recurrent transactions made on an arm's length basis and on normal commercial terms not prejudicial to the interest of the shareholders and not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority shareholders.

RSB and the Group enter into RRPT to take advantage of efficiencies in business dealings, in particular competitive prices, shorter delivery time and reliability in source of materials, goods and services. These Related Parties have long-standing business relationships with RSB Group and the quality of the products have proven to meet the stringent requirements imposed by the Group.

By obtaining the Shareholders' Mandate, and the renewal of the same on an annual basis, the need to convene separate general meetings from time to time to seek shareholders' approval for the entry by the Group into such RRPT will be eliminated. This will substantially reduce administrative time, inconvenience and expenses associated with the convening of such general meetings without compromising the corporate objectives of the Group or adversely affecting the business opportunities available to the Group.

The RRPT are intended to meet the business needs of RSB Group at the best possible terms. By transacting with the Related Parties, RSB Group would have an advantage of familiarity with the background, financial well-being and management of the Related Parties, thus enabling more informed commercial decisions to be made. In most dealings with the Related Parties, RSB Group and the Related Parties have a good understanding of each other's business needs thus providing a platform where all parties can benefit from conducting the RRPT.

Renting of office space to the Related Parties provides RSB Group and the Related Parties with an effective and efficient support to their operational needs whereby they are located in the same location. This will also maximise the utilisation of empty office space and enabling RSB Group to generate more income.

These would ultimately benefit the Group and the shareholders by enhancing profitability and returns on shareholders' funds.

6. CONDITIONS OF THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate is conditional upon approval being obtained from the shareholders of RSB at the forthcoming AGM. The Proposed Shareholders' Mandate is subject to annual review and a breakdown of the aggregate value of the RRPT conducted pursuant to the Shareholders' Mandate during the financial year, shall be disclosed in RSB's annual report.

7. DIRECTORS' AND MAJOR SHAREHOLDERS' INTERESTS

The interested Directors, namely Tan Sri Datuk Diong Hiew King @ Tiong Hiew King, Tiong Kiong King, Tiong Chiong Ong and Tiong Chiong Ie have abstained, and will continue to abstain from all board deliberations and voting in the board resolutions pertaining to the Proposed Shareholders' Mandate.

These interested Directors, as named in immediate paragraph above, and the interested Major Shareholders namely, Tiong Toh Siong Holdings Sdn Bhd, Teck Sing Lik Enterprise Sdn Bhd, Tiong Toh Siong Enterprises Sdn Bhd and Pertumbuhan Abadi Asia Sdn Bhd, and all Persons Connected with them, as mentioned in page 15 of this circular, will abstain from voting on the resolution, in respect of their direct and indirect shareholdings, approving the Proposed Shareholders' Mandate at the AGM.

All the interested Directors and the interested Major Shareholders as named in the paragraphs above have undertaken to ensure that the Persons Connected with them shall also abstain from voting in respect of their direct and indirect shareholdings on the resolution approving the Proposed Shareholders' Mandate at the AGM.
