Explanatory Note on Special Businesses:

1. Ordinary resolution in relation to the re-election of Directors (proposed Resolutions 3 and 4)

The Nomination Committee ("NC") of the Company has assessed the performance, contribution and effectiveness of all the Directors and assess the fit and proper criteria of the respective Directors seeking for re-election at the AGM. The areas of assessment of individual Directors include fit and proper, knowledge and integrity, contribution and participation, calibre and personality. Each of the retiring Director possess the relevant skill sets and experience and bring valuable insights to the Board of Directors ("Board"). Based on the satisfactory assessment outcome, together with the fit and proper declaration made in accordance with the Company's Fit and Proper Policy as well as confirmation of all the retiring Independent Directors of their independence, the Board recommended these Directors to be re-elected according to the resolutions to be tabled at the AGM.

2. Ordinary resolution on Shareholder Mandate for recurrent related party transactions

Paragraph 10.09 of the Main Market Listing Requirements states that with regard to related party transactions which are recurrent, of a revenue or trading nature and which are necessary for day-to-day operations ("RRPT"), a public listed company may seek a shareholder mandate.

The proposed Resolution No. 6, if passed, will authorise the Company and each of its subsidiaries to enter into RRPT with the mandated related parties as identified in point 3(b) of the Circular, which are necessary for day-to-day operations of the RSB Group, provided that such transactions are in the ordinary course of business and are on normal commercial terms which are not more favourable to the related parties than those generally available to the public and not detrimental to the interest of the minority shareholders.

By obtaining the Shareholder Mandate, the necessity to convene separate meetings from time to time to seek shareholders' approval as and when such RRPT occur would not arise. This would reduce substantial administrative time and costs associated with the convening of such meetings without compromising on the corporate objectives of the RSB Group or adversely affecting the business opportunities available to the RSB Group.
